

MATH FACTS PRACTICE:

We suggest that when using any of these sites, set goals and offer your child rewards for improvement. Also, encourage your child to practice all 4 operations on a regular basis.

- Five-minute fact drills. You pick the operation and the range of numbers. <http://www.cgill.net/facts.html>
- Set the difficulty, the operation, and the number of minutes:
<http://www.playkidsgames.com/games/mathfact/mathFact.htm>
- Flashcards: You pick the level of difficulty and the operation:
