Red Robin Flies into Fifth Grade!

Shortly before our holiday break, Mrs. Jackson’s business partner, Jaclyn Hostetler from Red Robin, visited sections 5-7 and 5-8 in 5th grade. The students used real menus from the restaurant to practice ordering from each other. Using paper order forms, the students had to compute the order total, as well as tax and tip for their service. The students really enjoyed practicing Math in this real life scenario, and it certainly made their stomachs growl! Thank you to Red Robin for being one of our school’s many business partners this year.

January Millionaire’s

When the cold weather rolled in in January, the millionaires rolled in as well. At press time for the January newsletter, we have four new millionaires: Ezekiel Rousu, 5-2; Vanessa Slavishak, 5-7; Sophia Lybarger, 5-4; and Brienna Ulp, 5-3.

And, drumroll please, we have our first two-millionaire:

Congratulations to all our millionaires! Keep reading fifth graders! Let’s see how many we can add to the club in the rest of January and February!

December Millionaire’s

Shortly after the December SAIS newsletter went to press, we added two more December millionaires: Kaidence Snyder, 5-1 and Aidan Rivera, 5-1.
