## Re-Creation Comes to Selinsgrove Elementary!

The singing sensation, Re-Creation, will be performing for the students and staff of Selinsgrove Elementary later in December.

Re-Creation is a therapeutic entertainment group comprised of young people who give up at least a year of their lives without pay to travel the country, entertaining men and women in Veterans Homes & Hospitals as well as presenting many shows throughout the year at events such as fairs, banquets, conventions, schools, and churches. Thank you Re-Creation for entertaining us during this holiday season!

The PTSO has put a Giving Tree in the school lobby from Now - 12-19

We will be collecting donations for the Meals for Seals Program. All class rooms have made a decorative ornament chain to put on the tree. Nice job everyone.
