

# Welcome to the Selinsgrove Area School District Online Registration Process

The Selinsgrove Area School District would like to welcome you and your child(ren).

To begin the registration process follow the steps below:

From the Home page of our website [www.seal-pa.org](http://www.seal-pa.org) you will click on the Kindergarten Registration 2020-2021 link under District Links.

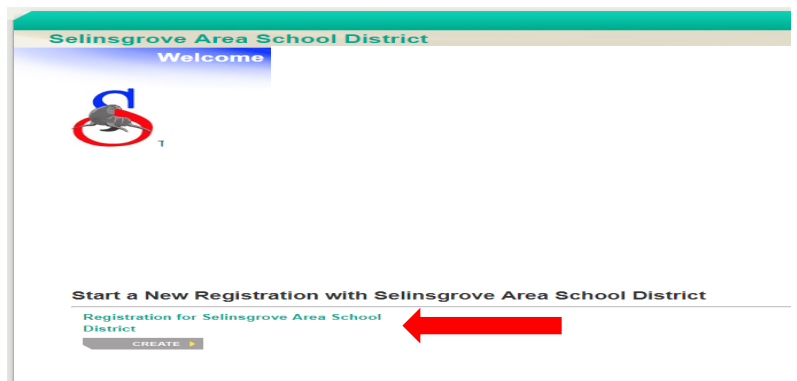

After clicking on this link you will see a page to type in your email and password. Below the login button you will see two options: **Create a New Account** and **Confirm my Email address**.

You will need to click on **Create a New Account**

You will be taken to a screen to set up your account. Upon completion you will receive an email to confirm your email address (*this may go to your spam/junk mail*).

Once you have completed this process you will now login using your newly created account to complete your child's registration. Click **CREATE** under the Registration.

The online registration form will walk you through step by step questions. When the form is complete it will be submitted directly to the Enrollment Office. You will then receive a phone call to schedule an appointment to finalize your child(s) registration.
