

Assistant Superintendent Goals 2020-2021

2020-2021 Assessment Goal

The Selinsgrove Area School District will continually utilize available assessment data to identify any achievement gaps. The assessment data will inform remediation efforts designed to close any identified achievement gaps as a result of the COVID 19 Pandemic.

2020-2021 Professional Development Goal

The Selinsgrove Area School District will develop a flexible plan for professional learning by engaging administration and staff in activities that support the district's Flexible Instructional Model. A professional development plan will be created that addresses individual needs as well as grade-level, department, and/or building needs.

2020-2021 Fiscal Goal

The Selinsgrove Area School District will develop and implement fiscal plans for spending received federal funding provided for pandemic preparation efforts within established timelines.

2020-2021 Curriculum Goal

The Selinsgrove Area School District will work with administration and staff in order to evaluate and acquire curricular resources that support the district's Flexible Instructional Model. Curricular resources will continuously be evaluated to determine their effectiveness in supporting student learning.
