

Cumulative COVID-19 DATA: August 2020 - May 2021

■ Elementary School ■ Intermediate School ■ Middle School ■ High School

Points of Consideration:

- These statistics include full-time distance learners, in-person students, and staff.
- Although the quantity of cases has increased, the joint efforts of the district and community have resulted in effective mitigation.
- As of May 31, 2021, there are less than 10 confirmed cases among school-based quarantined individuals throughout the district.
