

Superintendent Goals for the Selinsgrove Area School District

2023-2024

2023-2024 Student and Staff Focused Goal

The Selinsgrove Area School District will seek to utilize professional resources and stakeholder feedback to improve the teaching and learning experiences of our students and staff.

2023-2024 Communication Goal

The Selinsgrove Area School District will diversely engage stakeholders within the community to enhance the sense of the school district community and culture.

2023-2024 Operational Infrastructure Goal

The Selinsgrove Area School District will review SASD policies, administrative regulations, safety response procedures, and handbooks to ensure consistency and optimal operational performance.

2023-2024 Leadership in Education Goal

The Selinsgrove Area School District will seek opportunities to lead within the societal framework associated with education, private business, community organizations, and governmental entities.
