Financial Aid Assistance Webinars

Paying for College and Options for Balances

This 1-hour webinar is for students and families that are starting to plan or are in the thick of decisions regarding what college to choose. Affording the costs is one topic that is on everyone's mind. This presentation by PHEAA's Suzanne Sparrow, William McGinley, and Daniel Wray of the PA Forward and Keystone Loan programs will review the types of aid available, what needs to be done to check for eligibility, and provide tips on the options for covering the balances and making affordable decisions.

Don't miss it!
