2025-26 School District Policies

School Hours

- **HIGH SCHOOL:** 8:20 a.m. – 3:05 p.m.
- **MIDDLE SCHOOL:** 8:25 a.m. – 3:20 p.m.
- **INTERMEDIATE SCHOOL:** 8:25 a.m. – 3:20 p.m.
- **ELEMENTARY SCHOOL:** 8:25 a.m. – 3:00 p.m.

We encourage you to synchronize your clocks with WKOK/WQKX radio stations for the official school time.

Early Dismissal

A student may be excused from school earlier than the regular dismissal time due to urgent reasons. The parent or guardian must write a note to the building administrator, stating the time and reason for the request and the student's destination.

The parent of an elementary or middle school student is responsible to stop in the school office to confirm the early dismissal at the time the student leaves the school. Upon arriving at school in the morning, high school students must present a parental excuse to receive an early dismissal form. They then must sign out at the office upon leaving and sign in upon returning the same day.

Emergency Closings

If schools must be closed because of inclement weather or other emergency, announcements will be made on these radio and TV stations:

- Eyewitness News (WBRE, WYOU) – Channel 28
- CBS 21 – Channel 21
- WPMT – FOX 43
- WHTM - ABC 27

Parents should use the listed stations for information or call the school district's general information number at 570-372-2224, option #1.

School Cancellations/Cycle Days

Noted on each calendar block are cycle days and a school number day (i.e. 1/A/7). When school is cancelled due to inclement weather, etc., the cycle days will continue as reflected on the calendar. For example, if school was cancelled on a cycle day 1/A, the next regular school day will be cycle day 2/B. The next snow make-up day will be the cycle day of the date on which school was cancelled.

Attendance

Students who have been absent from school must bring an excuse, signed by the parent or guardian, and containing the dates of and reason for absence. Excuses not presented within five days of a student's return to school are unlawful.

Doctors' excuses are not needed after absence for childhood diseases or common ailments. However, students must remain out of school for prescribed periods for certain contagious diseases, as described in student handbooks. Doctors' excuses may be required for students who are frequently absent and claim illness as the reason.

Absences are considered excused for the following reasons: illness; home quarantine; death in the immediate family; impassable roads; exceptionally urgent reasons. All other absences are unexcused.

Drugs and Alcohol

The use, possession or distribution of any drug or alcohol during school hours, on school property, on school buses, or at any school-sponsored event is prohibited. Anyone under the influence of drugs or alcohol will not be admitted to school or school events. Any student suspected of being under the influence of drugs or alcohol during school hours or on school grounds must submit to a breath

or urine test performed by qualified personnel. Refusal may result in suspension or expulsion.

School Tobacco Policy

District policy prohibits smoking and the use of tobacco products including e-cigarettes and Jules by students, employees and other adults in all district buildings, on school buses and on school property owned by, leased by or under the control of the school district.

Weapons Policy

The district has a zero-tolerance policy. Students, non-students, employees and other adults are forbidden to knowingly or voluntarily possess, store in any area subject to one's control, handle, transport or use any instrument that is considered a weapon or a "look-alike" weapon in any school environment.

Discipline

Students must respect rules established by school administrators and teachers. Failure to do so will result in disciplinary action. Minor infractions may result in a warning or note or phone call to the parent or guardian. After-school detention may be assigned for repeat offenses or for more serious infractions. A very serious infraction may result in suspension.

Searches

Upon reasonable suspicion, students suspected of using, selling or possessing drugs or contraband will submit to a search in the presence of a principal or parent. Refusal may result in suspension or expulsion. Articles used for storage of personal property may also be searched upon reasonable suspicion that they contain drugs or contraband.

Suspensions and Expulsions

Building administrators may suspend any student from school for disobedience or misconduct, as outlined in the Pennsylvania School Code. In-school suspensions and exclusions from school also may be assigned at the discretion of the building administrators, as outlined in the School Code.

2025-26 School District Policies

Student Assistance Program

What is SAC? The Student Assistance Committee is a team of people who have been trained through a state-endorsed program of drug, alcohol and suicide prevention. This committee works in cooperation with MH/MR D&A (Mental Health, Mental Retardation, Drugs & Alcohol) agencies to assist students experiencing school-related problems in these areas.

Student Transportation

Students living in bus riding areas will be assigned to a school bus and assigned to a seat that they are expected to sit in every day.

All changes for bus riders require a note to be submitted at least three days before the change is to take place. Such requests must be submitted by the parent or legal guardian and received by the school secretary, who may then issue a Student Bus Pass. Bus drivers will not accept notes or letters.

Students are expected to be at their assigned loading zone five minutes before the designated loading time. Bus drivers are not required to wait if students are not at the loading zone at the time designated on the published bus route schedule.

Changes of loading or unloading zones within the same bus route may be honored for one day or a set weekly schedule, not on a whenever basis. (Guidelines for such requests can be found in student handbooks.)

Students may be assigned one bus in the a.m. and one bus in the p.m.; however, no student will be assigned multiple buses in either the a.m. or the p.m.

Principals are responsible for disciplining students for misbehavior on the school bus. Behavior rules and procedures for handling student misbehavior on the school bus are described in student handbooks.

The Board of Directors may take any action necessary to provide safe transportation for students, including temporary suspension or revocation of bus-riding privileges.

Change of Address

When a change of address for a student occurs within the district's boundaries, parents/guardians are required to complete a change of address form and provide proof of residence to the Central Registration Office located in the District Office (570-374-1144 ext. 3616). Any change of address affecting transportation will be forwarded to the Transportation Coordinator. Parents/guardians will be notified once the change in transportation has been processed and when it will go into effect.

Sapphire/Parent Portal

The district is utilizing the Sapphire/Parent Portal as its primary communication tool to receive and disseminate information regarding your child. Please make sure that your Sapphire account information is up to date.

School Visitors

Parents are encouraged to visit Selinsgrove Area schools. To make the visit more beneficial or to schedule a conference with a teacher, parents are asked to telephone the school administrator in advance. Parents are reminded to report to the office when visiting the school.

High school and middle school students are not permitted to bring visitors to school. Elementary students are permitted to bring visitors only under special circumstances, and only if arrangements have been made in advance with the building administrator.

All visitors are required to have a valid photo ID and must register in the main office where a visitor's badge will be issued. The badge must be displayed at all times while visiting the building.

Lunch Program

Selinsgrove Area School District participates in the National School Breakfast and Lunch Program. Breakfast and lunch prices for the 2025-26 school year are:

BREAKFAST:

First breakfast is free. Second breakfast is \$1.40.

LUNCH:

Elementary School: \$2.50 • Intermediate School: \$2.50
Middle School: \$2.70 • High School: \$2.70

Student Medication

Students taking prescription medication during school hours must bring to the school nurse a medication approval/request form completed by the physician and signed by the parent or guardian. Prescription medications must be brought to school in the original pharmaceutical container, registered with the school nurse and remain in the nurse's office.

Students taking non-prescription medications must bring a note, signed by the parent or guardian, indicating the name of the medication, why it must be taken during school hours and the exact times it should be administered. Non-prescription medications must be brought to the school nurse in the original container.

Asbestos Notification

This notice is to inform you that the Selinsgrove Area School District is continuing to manage asbestos-containing materials as per the AHERA regulations. The management plan is on file and available for review at the District Office as well as in the main office of each individual school building. Please call ahead to make arrangements to view the management plan.

If you have any questions regarding the information in the management plan, please contact the school district's asbestos coordinator, Zachary Appleman, Director of Facilities. Mr. Appleman is available to answer any questions you may have concerning asbestos and how it is being handled in the district.

Educational Trips

(NOT SCHOOL-SPONSORED)

A student may be excused from school attendance to participate in a trip or tour when the trip is considered by school officials to be educational and the student is to be supervised by an acceptable adult.

The parent or guardian must submit a Request For Excused Absence From School For A Preplanned Educational Tour or Trip Form to the respective building office prior to the trip. This form is available at the office of each school.

Extracurricular Activities

Students may choose to participate in a variety of extracurricular activities. However, a student who does not comply with the code of conduct may be denied participation in extracurricular activities, and a student on suspension is not eligible.

Also, a student must be in attendance the entire school day to be eligible to participate in extracurricular activities. Only a doctor's excuse or other urgent circumstances will be considered by the principal in waiving this requirement.

Right-to-Know

Dr. Frank R. Jankowski, Superintendent, serves as the district's Open-Records Officer. A standard right-to-know request form can be located and downloaded from the district's website @www.seal-pa.org

PUBLIC AWARENESS NOTICE

In compliance with state and federal law, the Selinsgrove Area School District conducts ongoing activities as part of its school program to identify students who may need special education and related services. If a child is identified by the district as possibly in need of such services, the parents will be **notified of applicable procedures**.

If a parent believes that his or her school-age child may need special education services and related programs, or young child (age three to school-age) may need early intervention, screening and evaluation processes to assess the child's needs and ability are available at no cost, upon written request. Requests for evaluation and screening may be made in writing at any time, whether or not the child is in the district's public school program, to Susan Lipsey, Director of Special Education, Selinsgrove Area School District, 329 Seals Avenue Selinsgrove, PA 17870. For further information on the rights of parents and children, provision of services, evaluation and screening, parents may contact Mrs. Lipsey in writing.

The Selinsgrove Area School District is an equal opportunity education institution and will not discriminate on the basis of race, color, national origin, gender or disability in its activities, programs or employment practices as required by Title VI, Title IX and Section 504.

In compliance with state and federal law, the **Selinsgrove Area School District** will provide to each "protected handicapped student" without discrimination or cost to the student or family, those related aids, services or accommodations needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities. To qualify as a "protected handicapped student" the child must be of school age with a physical or mental disability that substantially limits or prohibits participation in or access to an aspect of the school program. These services and protections for "protected handicapped students" are distinct from those applicable to all eligible or exceptional students enrolled (or seeking enrollment) in special education programs.

For information about civil rights or grievance procedures, contact Business Manager, Selinsgrove Area School District, 329 Seals Avenue, Selinsgrove, PA 17870 (570-372-2210).

For information about services, activities and facilities that are accessible to and usable by handicapped persons, also contact the Business Manager.
