

# **Superintendent Goals for the Selinsgrove Area School District**

**2025-2026**

## **2025-2026 Learning Focused Goal**

The Selinsgrove Area School District will facilitate a culture where performance goals drive student and staff engagement. The focus on improving tangible learning results will be coupled with the identification of pathways for students and staff to be active participants in the process.

## **2025-2026 Community Relations Goal**

The Selinsgrove Area School District will diversely engage stakeholders within the community to enhance school district community connections. An emphasis will be placed upon building partnerships with community stakeholders to enhance school district resources and opportunities for students.

## **2025-2026 Operations and Financial Management Goal**

The Selinsgrove Area School District will ensure that fiscal priorities align with the mission, vision, and shared values of the school district. Short and long-term planning will continue to be a guiding factor in the decision-making process.

## **2025-2026 Leadership in Education Goal**

The Selinsgrove Area School District will seek opportunities to lead within the societal frameworks associated with education, private business, community organizations, and governmental entities.
