Community Giving Foundation Scholarships

We are excited to announce that our application process for scholarship awards for the 2026-2027 academic year will open on March 1, 2026. You can find available scholarship opportunities online at csgiving.org/scholarships/. Scholarships open on **March 1, 2026**, and the deadline for online submission is **April 1, 2026**. Other scholarship opportunities are available through your high school guidance office.

To be considered for a scholarship, please carefully review the application process outlined below. We recommend completing this application on a computer using Google Chrome or Safari, as using a phone may not provide the best experience.

Application Process Details

The Foundation has launched a new universal application, a single form that matches your responses to the scholarship opportunities for which you qualify. To access the application, follow the steps below:

- 1. Create an Account:** Go to csgiving.org/scholarships/ and click on Scholarship Site Login to create an account using a personal email address. **Do not use a high school email address**, as this may lead to accessibility issues.
- 2. Complete the Application:** Fill in all the fields of universal application. By completing this universal application, you will be matched with any scholarship opportunities for which you may be eligible.
- 3. Submit Your Application:** After clicking “Submit Application” at the bottom of the form, you will see a confirmation of a list of scholarships you are eligible to apply for. Click Continue to complete the scholarship-specific questions you must answer and submit to be considered for some scholarships. You have the option to complete these additional materials or decline any of the scholarship opportunities listed. Your application will be considered complete once you have answered and submitted the follow-up questions.

Please follow these steps carefully to maximize your chances of receiving a scholarship through the Foundation!
